

**National Hydrology Project -  
Constitution of State Level  
Steering Committee (SLSC)  
& State Hydrological  
Information Coordination  
Committee (SHISCC)**

**Government of Maharashtra  
Water Resources Department  
Govt. Resolution No. NHP 2017/V-31/C.R. 92/2017/WRP  
Madam Kama Road, Hutatma Rajguru Chowk  
Mantralaya, Mumbai-400 032.  
Date :- 06 June, 2018.**

**PREAMBLE:-**

The National Hydrology Project with World Bank assistance is being implemented by MoWR, RD & GR, New Delhi, in association with 49 Implementing Agencies (39 from State Governments and 10 from Central Government). To provide policy directions for implementation of the project in respective state and to exercise overall administrative, management and financial control of the project, the State Level Steering Committee and State Hydrological Information System Co-ordination Committee (SHISCC) for the period of 8 years conterminous with the project period of National Hydrology Project(NHP) is to be constituted as per the directives received from National Hydrology Project, MoWR, RD & GR Government of India.

**RESOLUTION:-**

Government of Maharashtra has decided to set up the following two committees:- **1)State Level Steering Committee (SLSC) and 2) State Hydrological Information System Co-ordination Committee (SHISCC)** for the period of 8 years conterminous with the project period of National Hydrology Project. The **State Level Steering Committee (SLSC)** will meet at least twice in a year to review the progress made and check the compatibility of the guidelines and procedures to advise National Level Steering Committee (NLSC), and to suitably consider and cover the interest of Maharashtra State.

The Composition and Terms of reference (TOR) of State Level Steering Committee (SLSC) and state Hydrological information system co-ordination committee (SHISCC) are as under-

## **1. State Level Steering Committee (SLSC):-**

### **A) Composition of SLSC :-**

- |   |                   |
|---|-------------------|
| 1. Principal Secretary, Water Resources<br>Department, GoM, Mantralaya, Mumbai.                                   | -Chairman         |
| 2. Principal Secretary, Water Supply &<br>Sanitation Department, GoM, Mantralaya,<br>Mumbai.                      | -Member           |
| 3. Principal Secretary/ Secretary, Finance<br>Department, GoM, Mantralaya, Mumbai.                                | -Member           |
| 4. Principal Secretary, Agriculture<br>Department, GoM, Mantralaya, Mumbai.                                       | -Member           |
| 5. Secretary, Rural Development Department,<br>GoM, Mantralaya, Mumbai.   | -Member           |
| 6. Secretary, Water Conservation Department,<br>GoM, Mantralaya, Mumbai.  | -Member           |
| 7. Director General, D.T.H.R. & S., MERI Nashik.  | -Member           |
| 8. Chief Engineer, Central Water Commission,<br>Nagpur.   | -Member           |
| 9. Director, Indian Meteorological Department<br>(IMD), Pune.   | -Member           |
| 10. Director, Central Ground Water Board<br>(CGWB), Nagpur.   | -Member           |
| 11. Director, Maharashtra State Pollution Control<br>Board (MPCB), Pune.  | -Member           |
| 12. Director, GSDA, Pune.   | -Member           |
| 13. Chief Engineer, Planning & Hydrology,<br>Nashik   | -Member Secretary |
| 14. NGOs (if required & to be decided by the Chairman).   | -Special invitee  |
| 15. Expert /Water User Association /Water<br>Sector consultants (if required & to be decided<br>by the Chairman). | -Special invitee  |

### **B) Terms of Reference (ToR) of SLSC:-**

- i. To provide policy direction for implementation of the National Hydrology Project in the state of Maharashtra.
- ii. To exercise over all administrative, management and financial control of project.

- iii. Monitoring physical & financial performance of State Project Monitoring Unit (SPMU).
- iv. Interaction with State Government & Government of India.
- v. Periodic Review of implementation of Memorandum of Understanding (MoU) signed with other State Departments.
- vi. To periodically review and approve the constitution of the state Hydrological Information System (HIS) Coordination Committee (SHISCC) for operational management of the project on behalf of SLSC.

The committee will meet at least twice in a year to review the progress.

## **2) State Hydrological Information System Co-ordination Committee (SHISCC) :-**

State Hydrological Information System Co-ordination Committee (SHISCC) shall assist SLSC in its project management functions.

### **A) Composition of SHISCC :-**

- |  |                   |
|--|-------------------|
| 1. Chief Engineer, Planning & Hydrology, Nashik.                                 | -Chairman         |
| 2. Director, GSDA, Pune.   | - Member          |
| 3. Director, Agriculture, Pune.  | - Member          |
| 4. Director, DIT, Mantralaya, Mumbai   | - Member          |
| 5. Chief Engineer, Water Conservation Department, Pune.                          | - Member          |
| 6. Representative appointed by Chief Engineer, Central Water Commission, Nagpur. | - Member          |
| 7. Superintending Engineer, D.C.P.& H.C, Nashik                                  | -Member Secretary |
| 8. Expert/Specialist (if required & to be decided by the Chairman)               | -Special invitee  |

### **B) Terms of Reference (ToR) of SHISCC :**

- i) To ensure effective Co-ordination and exchange of information between the participating agencies, particularly between the Surface Water (SW) & Ground Water (GW) departments in the state.

- ii) Promote standardization in the process and formats of data collection, validation, collation and analysis, to the extent possible.
- iii) Facilitate the environment for seamless integration and free flow/exchanges of hydrological data and information between the SW&GW Agencies.
- iv) Ensure compatibilities of procedures, formats, protocols etc. between the Central & State Agencies.
- v) Promote Special interest group (SIG) in each state Data Center to undertake Hydrologic Analysis, to publish the results of such projects & distribute them widely, thereby encouraging Ground Water, Surface & Water & Water Quality specialist to conduct ongoing Hydrologic Analysis & publish their results.

The Committee will meet at least 4 times in one year to review the progress.

The travelling and daily allowances to the Govt. Officials who attend the meeting will be drawn from the head under which their regular salary is drawn. The travelling & daily allowances of Non Officials will be drawn from the provisions made for National Hydrology Project (NHP).

This Government resolution of Maharashtra Government is available at the website [www.maharashtra.gov.in](http://www.maharashtra.gov.in). Reference no. for this is 201806061701068027. This order has been signed digitally.

By order and in the name of the Governor of Maharashtra.
